Spare Parts is a true life story about four Hispanic high school students who form a robotics club under the leadership of their school’s newest teacher, Fredi (George Lopez). With no experience, 800 bucks, used car parts and a dream, this ragtag team goes up against the country’s reigning robotics champion, MIT. On their journey, they learn not only how to build a robot—they learn to build a bond that will last a lifetime.

I give my permission for my child, ___________________________________________ to view the movie, Spare Parts, while attending Summer Camp. I understand that the movie is rated PG-13 for violent content, thematic material, and language. I understand that the movie is being used for educational purposes. The Migrant Education Summer Camp staff will lead discussions and monitor writing activities following the movie. I also understand that the movie will not be viewed if all participants of the Migrant Education Summer Camp do not have parent permission.
